# Awards Show SHOWDOWN

As the most anticipated night in Hollywood, filled with theatrical super stars, the Academy Awards show is known to have its share of drama... and this year will be no different. Cue the contest for the “best lead actress” award. After 15 nominations, **Dana Darling** has made it clear she will do anything to finally walk away a winner. Dana’s break-through role this year has led many critics to report that she is the one who is Oscar worthy. But there are whispers that **Angel Wood** may steal the award... just like she stole **Jada Broken**’s ex-fiance, **Hunter Starr**. With the Oscars marking the first time the feuding actresses, Angel Wood and Jada Broken, will see one another, it is hard to say if they will be fighting over their love interests or their career. Regardless, whoever is crowned “best lead actress” will have fought for the title.

## Vanity Affair’s “Short List”

As the popularity of this post-Oscar celebration has grown, so has the number of people *dying* to get invited. While the interest in attending the party has grown, the guest list has not! Here a few of the A-list celebrities who made the cut:

**Dana Darling—Hollywood diva.** As a matriarch on the Hollywood scene, her award filled career does not include an Academy Award, even after 15 nominations. Will this be the year she changes that?

**Angel Wood—Aspiring actress.** This talented actress will do anything to get what she wants—whether it is an award, a leading role in a movie or the affection of a handsome actor.

**Jada Broken—Actress.** A top-notch actress who often gets second-rate treatment, Jada’s marriage was disrupted by Angel Wood and now her acting career may be as well.

**Natasha Gibson—Young actress.** A favorite with the teen crowds, this young adult is serious about pursuing more mature acting roles...that is if nothing comes in her way.

**Lola Talent—Latin diva.** Best known for her singing career, Lola extended her celebrity career to include acting, perfumes and a clothing line. Now, with her husband aspiring to gain the same recognition, she is 100% behind him... or is she?

**Mario Talent—Aspiring actor.** As the husband of a diva, Mario has always done as he was told. Now that Mario is looking out for himself, his intentions may change.

**Hobart Hughes—Director.** Known as the brightest director of all time, everyone is desperate to be cast in his upcoming movie, *A Fallen Angel*. But his decisions may depend on a lot more than an actor’s talent.

**Bobby Calling—Casting director.** Frustrated by Hobart’s demands, Bobby is looking to cast the upcoming film, *A Fallen Angel*, as they see fit.

**Penelope Hughes—Director’s wife.** It is no secret that Penelope loves her husband’s money more than the man himself. After many years of marriage, Penelope knows how to use her power in Hollywood to get what she wants.

**Princess Pop—Pop star.** With Princess’ career on the verge of destruction, she is looking to reconstruct it any way she can.

**Brady Comeback—Pop star.** With a reunion tour set to take place, this star is on the cusp of a comeback... or the last chapter of his career.

**Hunter Starr—Pop star and aspiring actor.** Since the *Man 2 Man* hiatus, Hunter has experienced much solo success in both his personal and professional life. While his band may want to relive the glory days, he is currently experiencing new heights on his own.

**M.C. Award—Award show emcee.** As the emcee, M.C. has been privy to private, behind-the-scenes information at the awards shows... but do they know too much?

**T. Redd—Aspiring rap artist.** The ex-husband of Princess Pop, T. Redd knows how to use his connections to get what he wants out of life, despite his lack of talent.

**Ward Winner—President of the Academy.** The man behind the awards, Ward can use his power to get what he wants and he intends to finish his final year as President with a bang!

## Big Plans For A Big Man

**Hobart Hughes** stated that he will be making an important announcement regarding the casting of his upcoming film, *A Fallen Angel*, following the Oscars. The film is slated to be a blockbuster, which Hobart is personally funding. Some speculate that the director is waiting to see who will take home an Oscar before making a final decision. Others think that **Bobby Calling**, the casting director, has already solicited **Jada Broken** for the lead female role. Among others in Hollywood vying to be cast are: **Natasha Gibson**, **Angel Wood**, **Hunter Starr**, **Mario Talent**.

## M2M 2 Reunite?

Could there be a reunion tour in the works for former boy band, *Man 2 Man*? After a 6-year ‘hiatus,’ one band member, **Brady Comeback**, is said to be in talks and booking venues.

# Mario Talent

You have always been known as “the husband of Lola Talent,” but that will change very soon. Even though you love your wife very much, you are tired of constantly being in her shadow. Since high school, Lola’s career has always come first with little room for you and your needs. Best known for her pop Latin songs, Lola has used her celebrity status to land acting roles, as well as a designer label in both fashion and perfume. Craving some attention for yourself, you recently told Lola that you have strong desires for an acting career.

Initially, your wife refused her support of your celebrity career. When you threatened to leave her, Lola agreed to endorse your efforts if you would look to her for guidance on advancing your career. You promised to do so, although you do not intend to do everything that she advises. In watching Lola’s rise to fame, she acted independently to advance her own career and you plan to do the same.

In the first steps of launching your acting career, you have been researching various acting roles. Through your research, you have come across the movie, *A Fallen Angel*, which is being produced and directed by Hobart Hughes, a prominent director. About this project you have learned that Hobart is planning to cast the actresses for the film before holding auditions for the male roles. Knowing this, you have decided to talk with the actresses that were in contention for the leading female roles, since they would have some influence on who was chosen to star opposite them and you have had lunch with some actresses (including Angel Wood) without your wife’s knowledge. If Angel Wood is cast for the leading female role, many suspect that she will endorse her boyfriend, Hunter Starr, for the leading male role, but you think otherwise.

As the Academy of the Motion Picture Arts and Sciences (aka the Academy) Awards show and after-party approaches, you are very excited to attend on the arm of your wife, Lola Talent. At the events, you plan to promote your acting career by socializing with various powerful people in Hollywood, including Hobart Hughes and Angel Wood!

**Acting and Dressing Your Part:** As a faithful husband, you will attend the party on the arm of your wife, Lola Talent. At the party, you will do as Lola says, except when it is in conflict with advancing your career. While Lola may not like that you will talk back to her, you will have to hold firm. As an aspiring actor, you will want to dress your best for the night by wearing your most stylish suit or tuxedo. *For more Hollywood gossip and ideas on how to dress, accessorize, etc., please see the party tips section at [www.nightofmystery.com](http://www.nightofmystery.com).
