Awards Show SHOWDOWN

As the most anticipated night in Hollywood, filled with theatrical super stars, the Academy Awards show is known to have its share of drama... and this year will be no different. Cue the contest for the “best lead actress” award. After 15 nominations, **Dana Darling** has made it clear she will do anything to finally walk away a winner. Dana’s break-through role this year has led many critics to report that she is the one who is Oscar worthy. But there are whispers that **Angel Wood** may steal the award... just like she stole **Jada Broken**’s ex-fiance, **Hunter Starr**. With the Oscars marking the first time the feuding actresses, Angel Wood and Jada Broken, will see one another, it is hard to say if they will be fighting over their love interests or their career. Regardless, whoever is crowned “best lead actress” will have fought for the title.

Vanity Affair’s “Short List”

As the popularity of this post-Oscar celebration has grown, so has the number of people *dying* to get invited. While the interest in attending the party has grown, the guest list has not! Here a few of the A-list celebrities who made the cut:

Dana Darling—Hollywood diva. As a matriarch on the Hollywood scene, her award filled career does not include an Academy Award, even after 15 nominations. Will this be the year she changes that?

Angel Wood—Aspiring actress. This talented actress will do anything to get what she wants—whether it is an award, a leading role in a movie or the affection of a handsome actor.

Jada Broken—Actress. A top-notch actress who often gets second-rate treatment, Jada’s marriage was disrupted by Angel Wood and now her acting career may be as well.

Natasha Gibson—Young actress. A favorite with the teen crowds, this young adult is serious about pursuing more mature acting roles...that is if nothing comes in her way.

Lola Talent—Latin diva. Best known for her singing career, Lola extended her celebrity career to include acting, perfumes and a clothing line. Now, with her husband aspiring to gain the same recognition, she is 100% behind him... or is she?

Mario Talent—Aspiring actor. As the husband of a diva, Mario has always done as he was told. Now that Mario is looking out for himself, his intentions may change.

Hobart Hughes—Director. Known as the brightest director of all time, everyone is desperate to be cast in his upcoming movie, *A Fallen Angel*. But his decisions may depend on a lot more than an actor’s talent.

Bobby Calling—Casting director. Frustrated by Hobart’s demands, Bobby is looking to cast the upcoming film, *A Fallen Angel*, as they see fit.

Penelope Hughes—Director’s wife. It is no secret that Penelope loves her husband’s money more than the man himself. After many years of marriage, Penelope knows how to use her power in Hollywood to get what she wants.

Princess Pop—Pop star.

With Princess’ career on the verge of destruction, she is looking to reconstruct it any way she can.

Brady Comeback—Pop star. With a reunion tour set to take place, this star is on the cusp of a comeback... or the last chapter of his career.

Hunter Starr—Pop star and aspiring actor.

Since the *Man 2 Man* hiatus, Hunter has experienced much solo success in both his personal and professional life. While his band may want to relive the glory days, he is currently experiencing new heights on his own.

M.C. Award—Award show emcee. As the emcee, M.C. has been privy to private, behind-the-scenes information at the awards shows... but do they know too much?

T. Redd—Aspiring rap artist. The ex-husband of Princess Pop, T. Redd knows how to use his connections to get what he wants out of life, despite his lack of talent.

Ward Winner—President of the Academy.

The man behind the awards, Ward can use his power to get what he wants and he intends to finish his final year as President with a bang!

Big Plans For A Big Man

Hobart Hughes stated that he will

be making an important announce-

ment regarding the casting of

his upcoming film, *A Fallen Angel*, following the Oscars.

The film is slated to be a blockbuster, which Hobart is personally funding. Some speculate that the director is waiting to see who will take home an Oscar before making

a final decision. Others think that

Bobby Calling, the casting director, has already solicited **Jada Broken** for the lead female role. Among others in Hollywood vying to be cast are: **Natasha Gibson**, **Angel Wood**, **Hunter Starr**, **Mario Talent**.

M2M 2 Reunite?

Could there be a reunion tour in the works for former boy band, *Man 2 Man*? After a 6-year ‘hiatus,’ one band member, **Brady Comeback**, is said to be in talks and booking venues.

T. Redd

As a brilliant dancer, you used your moves to work your way into the heart of pop princess, Princess Pop. As a back-up dancer on tour with Princess, you sensed Princess' vulnerability after her break-up with her boy band beau, Hunter Starr. Taking advantage of the situation, you began a steady relationship with Princess, promising her love and faithfulness. Following a short courtship, you were married and started a family by having two sons. Unfortunately after the children were born, your marriage faltered and Princess filed for divorce.

Despite the unfortunate end to your marriage, your experience was a positive career move. Because of your time in the limelight as Princess' husband, you have made some connections that will help you in your real pursuit—a career as a rap artist. Knowing that you no longer have Princess' endorsement of your rap career, you have solicited the help of Penelope Hughes, wife of prominent movie director Hobart Hughes. Penelope has many connections with prominent people in the recording industry and she has offered to introduce you to them for a very minimal price—some evidence that her husband has been unfaithful.

Based on the fact that Penelope is certain that Hobart is having an affair with Angel Wood (an actress), you thought this evidence would be easy to obtain. However, the task has been much harder than suspected. After following Angel, in hopes of photographing her with Hobart, you instead caught Angel on camera in intimate situations with a number of men, none of them Angel's beau (Hunter Starr). You uncovered pictures of Angel lunching with Mario Talent (an aspiring actor) and very intimate pictures of Angel with Ward Winner (the President of the Academy). When Angel noticed that you had been photographing her, she confronted you. You chose to show her the incriminating photos and revealed why you had been taking them. Upset and not wanting the images leaked to the media, Angel told you that she was not having an affair with Hobart Hughes, but she had proof of who was. At an audition, Angel had confiscated a positive pregnancy test from Hobart's studio and had it DNA tested, only to find that it belonged to Natasha Gibson (an actress) and Hobart. You proposed trading the incriminating pictures of Angel in return for the pregnancy test and DNA results that proved Hobart's unfaithfulness. Angel agreed to do so, but insisted that she would not trade the evidence until after Hobart had awarded her the starring role in his next film, *A Fallen Angel*, at the upcoming Academy of the Motion Picture Arts and Sciences (aka the Academy) Awards Show after-party. With the agreement set, you informed Penelope that you would have proof of Hobart's infidelity and that you will get it to her at the awards show after-party in exchange for her promoting your career. Thankfully, Penelope was able to use her connections to get you into the elite post-Oscar bash.

With the invitation to Vanity Affair's exclusive party, you are very excited for the evening to arrive. Penelope has promised to introduce you to a number of big time players in the music industry including Brady Comeback (a former *Man 2 Man* member who is planning a reunion tour). In addition, now that you are on the verge of having your career take off, you cannot wait to attend the party with your ex-wife present and flaunt your new connections in the celebrity scene. As a single man, you hope to gain the interest of a few of the Hollywood starlets.

Acting and Dressing Your Part: As an aspiring rap artist, you are very confident that your talent (and your connections) will successfully launch your career. At the party, do not be afraid to boast about your skills, or depend on the help of Penelope Hughes, to advance your business opportunities. At the party, you will also want to flaunt how well you are coping with your divorce by mingling with Hollywood starlets. In order to impress future business associates and future love interests you will want to wear your most stylish outfit accompanied by a great deal of jewelry. *For more Hollywood gossip and ideas on how to dress, accessorize, etc., please see the party tips section at www.nightofmystery.com.
