# Awards Show SHOWDOWN

As the most anticipated night in Hollywood, filled with theatrical super stars, the Academy Awards show is known to have its share of drama... and this year will be no different. Cue the contest for the “best lead actress” award. After 15 nominations, **Dana Darling** has made it clear she will do anything to finally walk away a winner. Dana’s break-through role this year has led many critics to report that she is the one who is Oscar worthy. But there are whispers that **Angel Wood** may steal the award... just like she stole **Jada Broken**’s ex-fiance, **Hunter Starr**. With the Oscars marking the first time the feuding actresses, Angel Wood and Jada Broken, will see one another, it is hard to say if they will be fighting over their love interests or their career. Regardless, whoever is crowned “best lead actress” will have fought for the title.

## Vanity Affair’s “Short List”

As the popularity of this post-Oscar celebration has grown, so has the number of people *dying* to get invited. While the interest in attending the party has grown, the guest list has not! Here a few of the A-list celebrities who made the cut:

**Dana Darling—Hollywood diva.** As a matriarch on the Hollywood scene, her award filled career does not include an Academy Award, even after 15 nominations. Will this be the year she changes that?

**Angel Wood—Aspiring actress.** This talented actress will do anything to get what she wants—whether it is an award, a leading role in a movie or the affection of a handsome actor.

**Jada Broken—Actress.** A top-notch actress who often gets second-rate treatment, Jada’s marriage was disrupted by Angel Wood and now her acting career may be as well.

**Natasha Gibson—Young actress.** A favorite with the teen crowds, this young adult is serious about pursuing more mature acting roles...that is if nothing comes in her way.

**Lola Talent—Latin diva.** Best known for her singing career, Lola extended her celebrity career to include acting, perfumes and a clothing line. Now, with her husband aspiring to gain the same recognition, she is 100% behind him... or is she?

**Mario Talent—Aspiring actor.** As the husband of a diva, Mario has always done as he was told. Now that Mario is looking out for himself, his intentions may change.

**Hobart Hughes—Director.** Known as the brightest director of all time, everyone is desperate to be cast in his upcoming movie, *A Fallen Angel*. But his decisions may depend on a lot more than an actor’s talent.

**Bobby Calling—Casting director.** Frustrated by Hobart’s demands, Bobby is looking to cast the upcoming film, *A Fallen Angel*, as they see fit.

**Penelope Hughes—Director’s wife.** It is no secret that Penelope loves her husband’s money more than the man himself. After many years of marriage, Penelope knows how to use her power in Hollywood to get what she wants.

**Princess Pop—Pop star.** With Princess’ career on the verge of destruction, she is looking to reconstruct it any way she can.

**Brady Comeback—Pop star.** With a reunion tour set to take place, this star is on the cusp of a comeback... or the last chapter of his career.

**Hunter Starr—Pop star and aspiring actor.** Since the *Man 2 Man* hiatus, Hunter has experienced much solo success in both his personal and professional life. While his band may want to relive the glory days, he is currently experiencing new heights on his own.

**M.C. Award—Award show emcee.** As the emcee, M.C. has been privy to private, behind-the-scenes information at the awards shows... but do they know too much?

**T. Redd—Aspiring rap artist.** The ex-husband of Princess Pop, T. Redd knows how to use his connections to get what he wants out of life, despite his lack of talent.

**Ward Winner—President of the Academy.** The man behind the awards, Ward can use his power to get what he wants and he intends to finish his final year as President with a bang!

## Big Plans For A Big Man

**Hobart Hughes** stated that he will be making an important announcement regarding the casting of his upcoming film, *A Fallen Angel*, following the Oscars. The film is slated to be a blockbuster, which Hobart is personally funding. Some speculate that the director is waiting to see who will take home an Oscar before making a final decision. Others think that **Bobby Calling**, the casting director, has already solicited **Jada Broken** for the lead female role. Among others in Hollywood vying to be cast are: **Natasha Gibson**, **Angel Wood**, **Hunter Starr**, **Mario Talent**.

## M2M 2 Reunite?

Could there be a reunion tour in the works for former boy band, *Man 2 Man*? After a 6-year ‘hiatus,’ one band member, **Brady Comeback**, is said to be in talks and booking venues.

# Hunter Starr

As a brilliant and talented singer and dancer, you were the driving force of the boy band, *Man 2 Man* (aka M2M). This fact became even more evident after the break-up of M2M, when you were the only member to have a successful solo career. Although other M2M members attempted to pursue various opportunities to advance their celebrity, those attempts all failed.

Although your career has always been very successful, your love life has not. At the beginning of your career, you were involved in a very public relationship with Princess Pop, a solo pop star, which abruptly ended when you learned of her unfaithfulness. Following the break-up, you met and fell in love with your ex-fiancé, Jada Broken. While engaged, you expressed an interest in acting and Jada helped you to land a supporting role in a movie starring Angel Wood (another actress). On the movie set, the chemistry between you and Angel was undeniable... and somehow ended up being reported to the Hollywood press. Feeling betrayed, Jada quickly ended your marriage.

Since the break-up with Jada, you and Angel have become a permanent couple on the Hollywood scene. Angel's ambition and drive are what attracted you to her and keep you in awe. Angel is a very talented and goal-driven actress who knows what it takes to achieve her goals. Currently, Angel intends to win "best leading actress" at the Academy of the Motion Picture Arts and Sciences (aka the Academy) Awards Show, as well as be awarded the lead female role in Hobart Hughes' next film, *A Fallen Angel*. Because of Angel's desire for the role, she has spent much time meeting with Hobart, and others, about the role. If Angel is awarded the leading role, you hope that she will insist upon you being selected for the lead male role. Not only would the role help the success of your acting career, but you would be able to spend more time with Angel.

As the Academy Awards are quickly approaching, you are a little nervous about how the night may turn out. The award show and after-party will be the first time that both Angel and Jada see one another since your break-up with Jada. In addition, both actresses are nominated for the "best leading actress" award and you fear what the loser will do. At the awards show, you also expect to see Brady Comeback, a former *Man 2 Man* band member. Brady has been organizing a reunion tour for the band and assumes that you will agree to perform in it. While you are not opposed to getting back together with your band, you would rather spend time on your acting career and developing your relationship with Angel.

**Acting and Dressing Your Part:** As a former pop singer and aspiring actor, you will dress to impress the crowds with your best suit or tux. As someone who is in love with their girlfriend, you will want to hang on the arm of Angel Wood and do whatever she says. Do not be afraid to show your dance moves if asked to do so at the party! *For more Hollywood gossip and ideas on how to dress, accessorize, etc., please see the party tips section at [www.nightofmystery.com](http://www.nightofmystery.com).
