Awards Show SHOWDOWN

As the most anticipated night in Hollywood, filled with theatrical super stars, the Academy Awards show is known to have its share of drama... and this year will be no different. Cue the contest for the “best lead actress” award. After 15 nominations, **Dana Darling** has made it clear she will do anything to finally walk away a winner. Dana’s break-through role this year has led many critics to report that she is the one who is Oscar worthy. But there are whispers that **Angel Wood** may steal the award... just like she stole **Jada Broken**’s ex-fiance, **Hunter Starr**. With the Oscars marking the first time the feuding actresses, Angel Wood and Jada Broken, will see one another, it is hard to say if they will be fighting over their love interests or their career. Regardless, whoever is crowned “best lead actress” will have fought for the title.

Vanity Affair’s “Short List”

As the popularity of this post-Oscar celebration has grown, so has the number of people *dying* to get invited. While the interest in attending the party has grown, the guest list has not! Here a few of the A-list celebrities who made the cut:

Dana Darling—Hollywood diva. As a matriarch on the Hollywood scene, her award filled career does not include an Academy Award, even after 15 nominations. Will this be the year she changes that?

Angel Wood—Aspiring actress. This talented actress will do anything to get what she wants—whether it is an award, a leading role in a movie or the affection of a handsome actor.

Jada Broken—Actress. A top-notch actress who often gets second-rate treatment, Jada’s marriage was disrupted by Angel Wood and now her acting career may be as well.

Natasha Gibson—Young actress. A favorite with the teen crowds, this young adult is serious about pursuing more mature acting roles...that is if nothing comes in her way.

Lola Talent—Latin diva. Best known for her singing career, Lola extended her celebrity career to include acting, perfumes and a clothing line. Now, with her husband aspiring to gain the same recognition, she is 100% behind him... or is she?

Mario Talent—Aspiring actor. As the husband of a diva, Mario has always done as he was told. Now that Mario is looking out for himself, his intentions may change.

Hobart Hughes—Director. Known as the brightest director of all time, everyone is desperate to be cast in his upcoming movie, *A Fallen Angel*. But his decisions may depend on a lot more than an actor’s talent.

Bobby Calling—Casting director. Frustrated by Hobart’s demands, Bobby is looking to cast the upcoming film, *A Fallen Angel*, as they see fit.

Penelope Hughes—Director’s wife. It is no secret that Penelope loves her husband’s money more than the man himself. After many years of marriage, Penelope knows how to use her power in Hollywood to get what she wants.

Princess Pop—Pop star.

With Princess’ career on the verge of destruction, she is looking to reconstruct it any way she can.

Brady Comeback—Pop star. With a reunion tour set to take place, this star is on the cusp of a comeback... or the last chapter of his career.

Hunter Starr—Pop star and aspiring actor.

Since the *Man 2 Man* hiatus, Hunter has experienced much solo success in both his personal and professional life. While his band may want to relive the glory days, he is currently experiencing new heights on his own.

M.C. Award—Award show emcee. As the emcee, M.C. has been privy to private, behind-the-scenes information at the awards shows... but do they know too much?

T. Redd—Aspiring rap artist. The ex-husband of Princess Pop, T. Redd knows how to use his connections to get what he wants out of life, despite his lack of talent.

Ward Winner—President of the Academy.

The man behind the awards, Ward can use his power to get what he wants and he intends to finish his final year as President with a bang!

Big Plans For A Big Man

Hobart Hughes stated that he will

be making an important announce-

ment regarding the casting of

his upcoming film, *A Fallen Angel*, following the Oscars.

The film is slated to be a blockbuster, which Hobart is personally funding. Some speculate that the director is waiting to see who will take home an Oscar before making

a final decision. Others think that

Bobby Calling, the casting director, has already solicited **Jada Broken** for the lead female role. Among others in Hollywood vying to be cast are: **Natasha Gibson**, **Angel Wood**, **Hunter Starr**, **Mario Talent**.

M2M 2 Reunite?

Could there be a reunion tour in the works for former boy band, *Man 2 Man*? After a 6-year ‘hiatus,’ one band member, **Brady Comeback**, is said to be in talks and booking venues.

Hobart Hughes

As a very successful Hollywood director, you enjoy your celebrity and fame! Over the years, you have been responsible for launching a number of prominent actors and actresses' careers by casting them in your films and then extracting their best performances. Because of these qualities, everyone is clamoring to be cast in your next film, *A Fallen Angel*.

As your success has grown, so has your ego and your extramarital affairs. Recently, after being seduced Natasha Gibson, a young actress, you learned that she was pregnant with your child. Not wanting to elude your responsibility, you promised to provide for the child. However, since you are in the midst of personally financing your next film, *A Fallen Angel*, you cannot afford to go through a messy divorce. Thus, you have convinced Natasha to keep the pregnancy a secret. Thankfully, Natasha understands that keeping silent about the baby and the father is also in her best interest.

Unfortunately for you, Natasha was not the only one who had to be convinced to keep quiet about the pregnancy. Angel Wood, a ruthless actress, became aware of your secret and had physical evidence to prove it (she confiscated the positive pregnancy test out of your trash can when she was in your studio auditioning!). Angel demanded that you cast her as leading actress in your upcoming movie, *A Fallen Angel*. Under duress, you agreed to Angel's demands. Your decision to cast Angel has upset your casting director, Bobby Calling, who wants to cast Jada Broken (another actress) in the role. In addition to Bobby, you are aware that Jada Broken, an actress who desperately want the role, will be deeply disappointed.

Besides managing both Angel and Natasha, you have also had to attend to your wife's suspicious behavior. Just the other day, Penelope accused you of having an affair with Angel Wood, which you rightfully denied! After the accusation, Penelope hired T. Redd, an aspiring rap artist, as her personal assistant.

As the Academy of the Motion Picture Arts and Sciences (aka the Academy) Awards Show draws closer, you are anxious to see how the evening will end. At the awards show after-party, you are planning to announce Angel as the leading lady in your upcoming film and Natasha as the supporting actress. Knowing that Natasha, Angel and Penelope will all be in one location together has you very nervous but you are hoping to end the night unscathed.

Acting and Dressing Your Part: As a prominent Hollywood director, you

are authoritative and demanding. At the party, do not be afraid to use your position of power in order to convince people to do favors for you. Since this is a high-profile occasion, you will want to dress in your most elegant suit or tux. As customary for directors, you may want to wear a black beret and do not forget your clapboard or megaphone. *For more Hollywood gossip and ideas on how to dress, accessorize, etc., please see the party tips section at www.nightofmystery.com.
