Awards Show SHOWDOWN

As the most anticipated night in Hollywood, filled with theatrical super stars, the Academy Awards show is known to have its share of drama... and this year will be no different. Cue the contest for the “best lead actress” award. After 15 nominations, **Dana Darling** has made it clear she will do anything to finally walk away a winner. Dana’s break-through role this year has led many critics to report that she is the one who is Oscar worthy. But there are whispers that **Angel Wood** may steal the award... just like she stole **Jada Broken**’s ex-fiance, **Hunter Starr**. With the Oscars marking the first time the feuding actresses, Angel Wood and Jada Broken, will see one another, it is hard to say if they will be fighting over their love interests or their career. Regardless, whoever is crowned “best lead actress” will have fought for the title.

Vanity Affair’s “Short List”

As the popularity of this post-Oscar celebration has grown, so has the number of people *dying* to get invited. While the interest in attending the party has grown, the guest list has not! Here a few of the A-list celebrities who made the cut:

Dana Darling—Hollywood diva. As a matriarch on the Hollywood scene, her award filled career does not include an Academy Award, even after 15 nominations. Will this be the year she changes that?

Angel Wood—Aspiring actress. This talented actress will do anything to get what she wants—whether it is an award, a leading role in a movie or the affection of a handsome actor.

Jada Broken—Actress. A top-notch actress who often gets second-rate treatment, Jada’s marriage was disrupted by Angel Wood and now her acting career may be as well.

Natasha Gibson—Young actress. A favorite with the teen crowds, this young adult is serious about pursuing more mature acting roles...that is if nothing comes in her way.

Lola Talent—Latin diva. Best known for her singing career, Lola extended her celebrity career to include acting, perfumes and a clothing line. Now, with her husband aspiring to gain the same recognition, she is 100% behind him... or is she?

Mario Talent—Aspiring actor. As the husband of a diva, Mario has always done as he was told. Now that Mario is looking out for himself, his intentions may change.

Hobart Hughes—Director. Known as the brightest director of all time, everyone is desperate to be cast in his upcoming movie, *A Fallen Angel*. But his decisions may depend on a lot more than an actor’s talent.

Bobby Calling—Casting director. Frustrated by Hobart’s demands, Bobby is looking to cast the upcoming film, *A Fallen Angel*, as they see fit.

Penelope Hughes—Director’s wife. It is no secret that Penelope loves her husband’s money more than the man himself. After many years of marriage, Penelope knows how to use her power in Hollywood to get what she wants.

Princess Pop—Pop star. With Princess’ career on the verge of destruction, she is looking to reconstruct it any way she can.

Brady Comeback—Pop star. With a reunion tour set to take place, this star is on the cusp of a comeback... or the last chapter of his career.

Hunter Starr—Pop star and aspiring actor. Since the *Man 2 Man* hiatus, Hunter has experienced much solo success in both his personal and professional life. While his band may want to relive the glory days, he is currently experiencing new heights on his own.

M.C. Award—Award show emcee. As the emcee, M.C. has been privy to private, behind-the-scenes information at the awards shows... but do they know too much?

T. Redd—Aspiring rap artist. The ex-husband of Princess Pop, T. Redd knows how to use his connections to get what he wants out of life, despite his lack of talent.

Ward Winner—President of the Academy. The man behind the awards, Ward can use his power to get what he wants and he intends to finish his final year as President with a bang!

Big Plans For A Big Man

Hobart Hughes stated that he will be making an important announcement regarding the casting of his upcoming film, *A Fallen Angel*, following the Oscars. The film is slated to be a blockbuster, which Hobart is personally funding. Some speculate that the director is waiting to see who will take home an Oscar before making a final decision. Others think that **Bobby Calling**, the casting director, has already solicited **Jada Broken** for the lead female role. Among others in Hollywood vying to be cast are: **Natasha Gibson**, **Angel Wood**, **Hunter Starr**, **Mario Talent**.

M2M 2 Reunite?

Could there be a reunion tour in the works for former boy band, *Man 2 Man*? After a 6-year ‘hiatus,’ one band member, **Brady Comeback**, is said to be in talks and booking venues.

Natasha Gibson

At the age of 18, you have had a very successful acting career appealing to young teenagers. Now that you are an adult, you desperately want to be in contention for some more mature roles in Hollywood.

With this intent, you privately auditioned for the leading female role in *A Fallen Angel*, an upcoming film being produced and directed by Hobart Hughes, a very prominent movie director. At the audition, you were enthralled by Hobart's intellect and power and you found yourself seducing the older gentleman. While it was just a passing fling for the both of you, you later discovered that you were pregnant with his child!

With this knowledge, you confronted Hobart, pregnancy test in hand, to tell him of the exciting news. After learning the truth, Hobart promised to provide for you and the baby, but that you would have to keep the baby a secret until after the movie was completed. Hobart went on to explain that because he was personally financing the movie, he could not afford a messy divorce with his wife, Penelope, which would happen if his infidelity were exposed. Fearing for your financial future, you have agreed to keep the identity of the baby's father a secret, but only if you were cast in the movie.

While Hobart initially promised you the leading female role, he has taken back that promise and instead offered you the supporting actress role in *A Fallen Angel*. The reason for the change was due to the fact that Angel Wood (a very conniving actress) recently found the pregnancy test and is now blackmailing Hobart for the leading actress role. Because you fear your secret being exposed, you have told Hobart you will be happy with the supporting actress role.

As the Academy of the Motion Picture Arts and Sciences (aka the Academy) Awards show and after party quickly approaches, you are looking forward to attending. Since Hobart is planning to announce his casting choices for the film at the after-party, you look forward to accepting everyone's "congratulations" on being awarded your first serious adult role. In addition, you hope to look to actors with children for advice on keeping your family life private, in particular Princess Pop. As another young starlet, Princess' family has been highly profiled in the media with an unfavorable outcome and you hope to learn from her experience.

Acting and Dressing Your Part: As a budding young actress, you are coming to the party in your most fashionable designer dress. In an attempt to look more mature, you may want to accentuate your outfit with some stunning jewelry. Even though you are pregnant, you are in the early stages and your condition is not visible. At the party feel free to use your current condition to blackmail Hobart and get him to do whatever you want. *For more Hollywood gossip and ideas on how to dress, accessorize, etc., please see the party tips section at www.nightofmystery.com.
