Awards Show SHOWDOWN

As the most anticipated night in Hollywood, filled with theatrical super stars, the Academy Awards show is known to have its share of drama... and this year will be no different. Cue the contest for the “best lead actress” award. After 15 nominations, **Dana Darling** has made it clear she will do anything to finally walk away a winner. Dana’s break-through role this year has led many critics to report that she is the one who is Oscar worthy. But there are whispers that **Angel Wood** may steal the award... just like she stole **Jada Broken**’s ex-fiance, **Hunter Starr**. With the Oscars marking the first time the feuding actresses, Angel Wood and Jada Broken, will see one another, it is hard to say if they will be fighting over their love interests or their career. Regardless, whoever is crowned “best lead actress” will have fought for the title.

Vanity Affair’s “Short List”

As the popularity of this post-Oscar celebration has grown, so has the number of people *dying* to get invited. While the interest in attending the party has grown, the guest list has not! Here a few of the A-list celebrities who made the cut:

Dana Darling—Hollywood diva. As a matriarch on the Hollywood scene, her award filled career does not include an Academy Award, even after 15 nominations. Will this be the year she changes that?

Angel Wood—Aspiring actress. This talented actress will do anything to get what she wants—whether it is an award, a leading role in a movie or the affection of a handsome actor.

Jada Broken—Actress. A top-notch actress who often gets second-rate treatment, Jada’s marriage was disrupted by Angel Wood and now her acting career may be as well.

Natasha Gibson—Young actress. A favorite with the teen crowds, this young adult is serious about pursuing more mature acting roles...that is if nothing comes in her way.

Lola Talent—Latin diva. Best known for her singing career, Lola extended her celebrity career to include acting, perfumes and a clothing line. Now, with her husband aspiring to gain the same recognition, she is 100% behind him... or is she?

Mario Talent—Aspiring actor. As the husband of a diva, Mario has always done as he was told. Now that Mario is looking out for himself, his intentions may change.

Hobart Hughes—Director. Known as the brightest director of all time, everyone is desperate to be cast in his upcoming movie, *A Fallen Angel*. But his decisions may depend on a lot more than an actor’s talent.

Bobby Calling—Casting director. Frustrated by Hobart’s demands, Bobby is looking to cast the upcoming film, *A Fallen Angel*, as they see fit.

Penelope Hughes—Director’s wife. It is no secret that Penelope loves her husband’s money more than the man himself. After many years of marriage, Penelope knows how to use her power in Hollywood to get what she wants.

Princess Pop—Pop star. With Princess’ career on the verge of destruction, she is looking to reconstruct it any way she can.

Brady Comeback—Pop star. With a reunion tour set to take place, this star is on the cusp of a comeback... or the last chapter of his career.

Hunter Starr—Pop star and aspiring actor. Since the *Man 2 Man* hiatus, Hunter has experienced much solo success in both his personal and professional life. While his band may want to relive the glory days, he is currently experiencing new heights on his own.

M.C. Award—Award show emcee. As the emcee, M.C. has been privy to private, behind-the-scenes information at the awards shows... but do they know too much?

T. Redd—Aspiring rap artist. The ex-husband of Princess Pop, T. Redd knows how to use his connections to get what he wants out of life, despite his lack of talent.

Ward Winner—President of the Academy. The man behind the awards, Ward can use his power to get what he wants and he intends to finish his final year as President with a bang!

Big Plans For A Big Man

Hobart Hughes stated that he will be making an important announcement regarding the casting of his upcoming film, *A Fallen Angel*, following the Oscars. The film is slated to be a blockbuster, which Hobart is personally funding. Some speculate that the director is waiting to see who will take home an Oscar before making a final decision. Others think that **Bobby Calling**, the casting director, has already solicited **Jada Broken** for the lead female role. Among others in Hollywood vying to be cast are: **Natasha Gibson**, **Angel Wood**, **Hunter Starr**, **Mario Talent**.

M2M 2 Reunite?

Could there be a reunion tour in the works for former boy band, *Man 2 Man*? After a 6-year ‘hiatus,’ one band member, **Brady Comeback**, is said to be in talks and booking venues.

Angel Wood

As a superstar actress, it is no secret that you possess a great deal of talent. Unfortunately, you learned long ago that in the high-powered world of Hollywood, talent alone does not get you everything you desire. Knowing this, you lie, scheme and manipulate whenever necessary to achieve your end goal—a fabulous career!

After recently auditioning for Hobart Hughes, a movie director, you noticed a positive pregnancy test in his studio wastebasket. After confiscating the test and submitting it for a DNA analysis, you discovered that the test was taken by Natasha Gibson, a young actress, and NOT Penelope Hughes, Hobart's wife. Using this information, you blackmailed Hobart into promising you the leading female role in his upcoming film, *A Fallen Angel*, a fact that Hobart will announce at the awards show.

Among other people that you are currently manipulating in order to gain advancement in your career is Hunter Starr, your beau, and Ward Winner, the President of the Academy. Recently when Hunter Starr appeared in a movie in which you were starring, you took the opportunity to develop a romantic relationship with him—despite the fact that he was already married to Jada Broken (another actress). You then leaked the news of your affair to the tabloids, ending Jada and Hunter's marriage and boosting the ratings of your currently released movie. Because of the movie's box office, you were nominated for the "best leading actress" at the Academy Awards, an award you desperately want to receive.

To increase your chances at winning the prominent award, you have started an affair with Ward Winner, the President of the Academy. You have convinced Ward that you must keep your relationship a secret so that his vote will appear impartial and unbiased. After the award ceremony, you have promised to make the affair public but in reality, you plan to break-up with him.

Your plan to keep your affair with Ward a secret was almost ruined last week when you noticed T. Redd, an aspiring rap artist, taking incriminating photographs of you and Ward together. When you confronted T. Redd on his behavior, he admitted being hired by Penelope Hughes to get evidence of Hobart being unfaithful to his wife. Since Penelope suspected Angel of being Hobart's mistress, T. Redd was instructed to follow Angel. Although T. Redd did not get any pictures of you with Hobart (since you are not romantically involved), T. Redd DID get plenty of photos of you cheating on Hunter Starr. In desperation, you told T. Redd of the pregnancy test findings that proved Hobart's infidelity to Penelope. Further, you promised to exchange the pregnancy test for the incriminating pictures that T. Redd had taken of you at the awards show after-party.

With the leading role in *A Fallen Angel* about to be handed to you, you have been considering very carefully whom you would also like to star opposite you as the lead male. While Hunter Starr would be the obvious choice, considering your personal relationship with him and his budding acting career, you have also been meeting with Mario Talent, another aspiring actor. After discussing these opportunities with Mario, you plan to promote Mario or Hunter as great leading male actors that you would work with. You are aware that Mario's wife, Lola, will not like the idea of you starring opposite her husband—especially because of her close friendship with Jada Broken—but you do not care.

As the night of the Academy Awards Show and Vanity Affair's post-Oscar bash draws closer, you are getting very excited to attend. You cannot wait to see the faces of Jada Broken and Dana Darling (the two other nominees for the award) when you are announced as the winner and look forward to gloating about your accomplishment.

Acting and Dressing Your Part: As a very successful Hollywood starlet, you are always demanding of others and arrogant. To the after-party, you will wear a very gorgeous dress and bring your Oscar trophy (or another trophy to symbolize it) which you received for 'best leading actress.' To glamorize your outfit, you will wear the latest (and largest) jewelry you can find INCLUDING a pearl necklace (fake or costume) to glamorize your outfit. *For more Hollywood gossip and ideas on how to dress, accessorize, etc., please see the party tips section at www.nightofmystery.com.*
