Awards Show SHOWDOWN

As the most anticipated night in Hollywood, filled with theatrical super stars, the Academy Awards show is known to have its share of drama... and this year will be no different. Cue the contest for the “best lead actress” award. After 15 nominations, **Dana Darling** has made it clear she will do anything to finally walk away a winner. Dana’s break-through role this year has led many critics to report that she is the one who is Oscar worthy. But there are whispers that **Angel Wood** may steal the award... just like she stole **Jada Broken**’s ex-fiance, **Hunter Starr**. With the Oscars marking the first time the feuding actresses, Angel Wood and Jada Broken, will see one another, it is hard to say if they will be fighting over their love interests or their career. Regardless, whoever is crowned “best lead actress” will have fought for the title.

Vanity Affair’s “Short List”

As the popularity of this post-Oscar celebration has grown, so has the number of people *dying* to get invited. While the interest in attending the party has grown, the guest list has not! Here a few of the A-list celebrities who made the cut:

Dana Darling—Hollywood diva. As a matriarch on the Hollywood scene, her award filled career does not include an Academy Award, even after 15 nominations. Will this be the year she changes that?

Angel Wood—Aspiring actress. This talented actress will do anything to get what she wants—whether it is an award, a leading role in a movie or the affection of a handsome actor.

Jada Broken—Actress. A top-notch actress who often gets second-rate treatment, Jada’s marriage was disrupted by Angel Wood and now her acting career may be as well.

Natasha Gibson—Young actress. A favorite with the teen crowds, this young adult is serious about pursuing more mature acting roles...that is if nothing comes in her way.

Lola Talent—Latin diva. Best known for her singing career, Lola extended her celebrity career to include acting, perfumes and a clothing line. Now, with her husband aspiring to gain the same recognition, she is 100% behind him... or is she?

Mario Talent—Aspiring actor. As the husband of a diva, Mario has always done as he was told. Now that Mario is looking out for himself, his intentions may change.

Hobart Hughes—Director. Known as the brightest director of all time, everyone is desperate to be cast in his upcoming movie, *A Fallen Angel*. But his decisions may depend on a lot more than an actor’s talent.

Bobby Calling—Casting director. Frustrated by Hobart’s demands, Bobby is looking to cast the upcoming film, *A Fallen Angel*, as they see fit.

Penelope Hughes—Director’s wife. It is no secret that Penelope loves her husband’s money more than the man himself. After many years of marriage, Penelope knows how to use her power in Hollywood to get what she wants.

Princess Pop—Pop star. With Princess’ career on the verge of destruction, she is looking to reconstruct it any way she can.

Brady Comeback—Pop star. With a reunion tour set to take place, this star is on the cusp of a comeback... or the last chapter of his career.

Hunter Starr—Pop star and aspiring actor. Since the *Man 2 Man* hiatus, Hunter has experienced much solo success in both his personal and professional life. While his band may want to relive the glory days, he is currently experiencing new heights on his own.

M.C. Award—Award show emcee. As the emcee, M.C. has been privy to private, behind-the-scenes information at the awards shows... but do they know too much?

T. Redd—Aspiring rap artist. The ex-husband of Princess Pop, T. Redd knows how to use his connections to get what he wants out of life, despite his lack of talent.

Ward Winner—President of the Academy. The man behind the awards, Ward can use his power to get what he wants and he intends to finish his final year as President with a bang!

Big Plans For A Big Man

Hobart Hughes stated that he will be making an important announcement regarding the casting of his upcoming film, *A Fallen Angel*, following the Oscars. The film is slated to be a blockbuster, which Hobart is personally funding. Some speculate that the director is waiting to see who will take home an Oscar before making a final decision. Others think that **Bobby Calling**, the casting director, has already solicited **Jada Broken** for the lead female role. Among others in Hollywood vying to be cast are: **Natasha Gibson**, **Angel Wood**, **Hunter Starr**, **Mario Talent**.

M2M 2 Reunite?

Could there be a reunion tour in the works for former boy band, *Man 2 Man*? After a 6-year ‘hiatus,’ one band member, **Brady Comeback**, is said to be in talks and booking venues.

Bobby Calling

As a prominent Hollywood casting director, you know the ins and outs of the Hollywood world. Not only do you wield a lot of power when it comes to influencing directors on their casting choices, but you also have the capability to make or break an actor or actress' career.

Currently, you are working on casting for Hobart Hughes' upcoming film, *A Fallen Angel*. After much scrutiny over the lead female role, you have decided that you would like to offer Jada Broken (an actress) the part. Hobart was in agreement with you on this important decision until last week when he told you that he had decided to give the role to Angel Wood. Since you have worked with Hobart in the past, you know that it is out of character for him to override your decisions, as well as change his mind abruptly. At the same time, Hobart also made it clear that you are not to schedule an audition for Steffi Wood (Angel's little sister) for any role in the movie. With this in mind, you are certain that Angel Wood **MUST** have some sort of information that she is using to blackmail Hobart into doing exactly as she says.

You have worked with Hobart for several years, and know that he has had multiple extra-marital affairs. While Penelope Hughes (Hobart's wife) has tended to care only about Hobart's salary and not his actions, she may finally be fed-up with his behavior and is threatening divorce. Since Hobart is privately financing *A Fallen Angel*, he cannot afford to lose half of his wealth at the moment, making him even more desperate.

As the Academy of the Motion Picture Arts and Sciences (aka the Academy) Awards Show approaches, you have pleaded with Hobart to change his mind on the casting choices for *A Fallen Angel*, but he refuses. Hobart is convinced that the award show after-party will be a great venue in which to announce Angel Wood as the lead female role and Natasha Gibson (an actress) in the supporting actress role. Once announced, you know it will be your duty to identify other actors who will be the best compliments to cast in the movie. Since Angel is dating Hunter Starr, an ex-boy band member and aspiring actor, you think that Hunter may be someone you will want to cast. Not only do you suspect the couple will have good on-screen chemistry, but their off-screen relationship is certain to boost box office sales. Despite the fun you anticipate having at Vanity Affair's post-Oscar bash, you know that there will be a lot of work to do and you are looking forward to pursuing it!

Acting and Dressing Your Part: As a casting director, you hold the key to success for a number of actor's and actress' careers, so do not be afraid to use your power to get people to do as you please at the party. Since you are attending one of the most publicized events in Hollywood, you will want to wear your most elegant attire. *For more Hollywood gossip and ideas on how to dress, accessorize, etc., please see the party tips section at www.nightofmystery.com.
