# Awards Show SHOWDOWN

As the most anticipated night in Hollywood, filled with theatrical super stars, the Academy Awards show is known to have its share of drama... and this year will be no different. Cue the contest for the “best lead actress” award. After 15 nominations, **Dana Darling** has made it clear she will do anything to finally walk away a winner. Dana’s break-through role this year has led many critics to report that she is the one who is Oscar worthy. But there are whispers that **Angel Wood** may steal the award... just like she stole **Jada Broken**’s ex-fiance, **Hunter Starr**. With the Oscars marking the first time the feuding actresses, Angel Wood and Jada Broken, will see one another, it is hard to say if they will be fighting over their love interests or their career. Regardless, whoever is crowned “best lead actress” will have fought for the title.

## Vanity Affair’s “Short List”

As the popularity of this post-Oscar celebration has grown, so has the number of people *dying* to get invited. While the interest in attending the party has grown, the guest list has not! Here a few of the A-list celebrities who made the cut:

**Dana Darling—Hollywood diva.** As a matriarch on the Hollywood scene, her award filled career does not include an Academy Award, even after 15 nominations. Will this be the year she changes that?

**Angel Wood—Aspiring actress.** This talented actress will do anything to get what she wants—whether it is an award, a leading role in a movie or the affection of a handsome actor.

**Jada Broken—Actress.** A top-notch actress who often gets second-rate treatment, Jada’s marriage was disrupted by Angel Wood and now her acting career may be as well.

**Natasha Gibson—Young actress.** A favorite with the teen crowds, this young adult is serious about pursuing more mature acting roles...that is if nothing comes in her way.

**Lola Talent—Latin diva.** Best known for her singing career, Lola extended her celebrity career to include acting, perfumes and a clothing line. Now, with her husband aspiring to gain the same recognition, she is 100% behind him... or is she?

**Mario Talent—Aspiring actor.** As the husband of a diva, Mario has always done as he was told. Now that Mario is looking out for himself, his intentions may change.

**Hobart Hughes—Director.** Known as the brightest director of all time, everyone is desperate to be cast in his upcoming movie, *A Fallen Angel*. But his decisions may depend on a lot more than an actor’s talent.

**Bobby Calling—Casting director.** Frustrated by Hobart’s demands, Bobby is looking to cast the upcoming film, *A Fallen Angel*, as they see fit.

**Penelope Hughes—Director’s wife.** It is no secret that Penelope loves her husband’s money more than the man himself.

After many years of marriage, Penelope knows how to use her power in Hollywood to get what she wants.

**Princess Pop—Pop star.**

With Princess’ career on the verge of destruction, she is looking to reconstruct it any way she can.

**Brady Comeback—Pop star.** With a reunion tour set to take place, this star is on the cusp of a comeback... or the last chapter of his career.

**Hunter Starr—Pop star and aspiring actor.**

Since the *Man 2 Man* hiatus, Hunter has experienced much solo success in both his personal and professional life. While his band may want to relive the glory days, he is currently experiencing new heights on his own.

**M.C. Award—Award show emcee.** As the emcee, M.C. has been privy to private, behind-the-scenes information at the awards shows... but do they know too much?

**T. Redd—Aspiring rap artist.** The ex-husband of Princess Pop, T. Redd knows how to use his connections to get what he wants out of life, despite his lack of talent.

**Ward Winner—President of the Academy.**

The man behind the awards, Ward can use his power to get what he wants and he intends to finish his final year as President with a bang!

## Big Plans For A Big Man

**Hobart Hughes** stated that he will

be making an important announce-

ment regarding the casting of

his upcoming film, *A Fallen Angel*, following the Oscars.

The film is slated to be a blockbuster, which Hobart is personally funding. Some speculate that the director is

waiting to see who will take home an Oscar before making

a final decision. Others think that

**Bobby Calling**, the casting director, has already solicited **Jada Broken** for the lead female role. Among others in Hollywood vying to be cast are: **Natasha Gibson**, **Angel Wood**, **Hunter Starr**, **Mario Talent**.

## M2M 2 Reunite?

Could there be a reunion tour in the works for former boy band, *Man 2 Man*? After a 6-year ‘hiatus,’ one band member, **Brady Comeback**, is said to be in talks and booking venues.

# Jada Broken

As a very gifted actress, and a woman of high morals, you have relied solely on your talent and work ethic to attain your successful acting career—and it has worked! This year alone you have been nominated for the “best leading actress” award at the Academy of the Motion Picture Arts and Sciences (aka the Academy). Also, you are under consideration for the leading female role in Hobart Hughes’ upcoming film, *A Fallen Angel*.

As a woman with a very successful career, you feel threatened by Angel Wood, another actress. Angel is also in contention for the same award and movie role. You fear that she will act maliciously in order to get these honors. If Angel does have a scheme, it would not be the first time where Angel has sabotaged your life. Earlier this year, while starring in a film that Hunter Starr (your husband at the time) was working on, Angel pursued a romantic relationship with him. Through the Hollywood tabloids, you heard of Hunter and Angel’s chemistry on set and their “emotional affair.” Feeling betrayed, you ended your marriage to Hunter and you have not seen him since. Despite your heartbreak, you are certain that you can rise above the situation, but you are not certain Angel will show the same level of professionalism. You are worried about Angel’s actions since she, too, has a lot at stake and has proved to be ruthless whenever anyone gets in the way of her goals.

Your relationship with Hunter has caused you to have conflicts with Angel, as well as friction with Princess Pop, a pop star and Hunter’s ex-girlfriend. Even though Princess and Hunter ended their relationship years ago, (and Princess has since been married and divorced) you believe that Princess is still in love with Hunter and remains jealous of your previous marriage with him.

Throughout the rise of your Hollywood career, you have focused on keeping some close friends that you can trust. At the top of that list is Lola Talent, an acclaimed singer and actress who is now devoted to advancing the career of her husband, Mario Talent. With your urging, Lola has vowed never to let Mario star alongside Angel.

With the Academy Awards Show and after-party are quickly approaching, you are excited for the evening to finally arrive. The focus of the media on the awards show has been the close competition for the leading actress award. Although you hope to be the winner, many are rooting for Dana Darling, a long-time actress that has been nominated for the award 15 times without once receiving it. At the awards show, you also expect to see Hobart Hughes (the director) and Bobby Calling (the casting director) and you are anxious to know if they have made any casting choices for *A Fallen Angel*!

**Acting and Dressing Your Part:** As a nominated actress, you know the spotlight will be shining on you, so you will wear your most glamorous dress accentuated by expensive jewelry. *For more Hollywood gossip and ideas on how to dress, accessorize, etc., please see the party tips section at [www.nightofmystery.com](http://www.nightofmystery.com).
