# Awards Show SHOWDOWN

As the most anticipated night in Hollywood, filled with theatrical super stars, the Academy Awards show is known to have its share of drama... and this year will be no different. Cue the contest for the “best lead actress” award. After 15 nominations, **Dana Darling** has made it clear she will do anything to finally walk away a winner. Dana’s break-through role this year has led many critics to report that she is the one who is Oscar worthy. But there are whispers that **Angel Wood** may steal the award... just like she stole **Jada Broken**’s ex-fiance, **Hunter Starr**. With the Oscars marking the first time the feuding actresses, Angel Wood and Jada Broken, will see one another, it is hard to say if they will be fighting over their love interests or their career. Regardless, whoever is crowned “best lead actress” will have fought for the title.

## Vanity Affair’s “Short List”

As the popularity of this post-Oscar celebration has grown, so has the number of people *dying* to get invited. While the interest in attending the party has grown, the guest list has not! Here a few of the A-list celebrities who made the cut:

**Dana Darling—Hollywood diva.** As a matriarch on the Hollywood scene, her award filled career does not include an Academy Award, even after 15 nominations. Will this be the year she changes that?

**Angel Wood—Aspiring actress.** This talented actress will do anything to get what she wants—whether it is an award, a leading role in a movie or the affection of a handsome actor.

**Jada Broken—Actress.** A top-notch actress who often gets second-rate treatment, Jada’s marriage was disrupted by Angel Wood and now her acting career may be as well.

**Natasha Gibson—Young actress.** A favorite with the teen crowds, this young adult is serious about pursuing more mature acting roles...that is if nothing comes in her way.

**Lola Talent—Latin diva.** Best known for her singing career, Lola extended her celebrity career to include acting, perfumes and a clothing line. Now, with her husband aspiring to gain the same recognition, she is 100% behind him... or is she?

**Mario Talent—Aspiring actor.** As the husband of a diva, Mario has always done as he was told. Now that Mario is looking out for himself, his intentions may change.

**Hobart Hughes—Director.** Known as the brightest director of all time, everyone is desperate to be cast in his upcoming movie, *A Fallen Angel*. But his decisions may depend on a lot more than an actor’s talent.

**Bobby Calling—Casting director.** Frustrated by Hobart’s demands, Bobby is looking to cast the upcoming film, *A Fallen Angel*, as they see fit.

**Penelope Hughes—Director’s wife.** It is no secret that Penelope loves her husband’s money more than the man himself. After many years of marriage, Penelope knows how to use her power in Hollywood to get what she wants.

**Princess Pop—Pop star.** With Princess’ career on the verge of destruction, she is looking to reconstruct it any way she can.

**Brady Comeback—Pop star.** With a reunion tour set to take place, this star is on the cusp of a comeback... or the last chapter of his career.

**Hunter Starr—Pop star and aspiring actor.** Since the *Man 2 Man* hiatus, Hunter has experienced much solo success in both his personal and professional life. While his band may want to relive the glory days, he is currently experiencing new heights on his own.

**M.C. Award—Award show emcee.** As the emcee, M.C. has been privy to private, behind-the-scenes information at the awards shows... but do they know too much?

**T. Redd—Aspiring rap artist.** The ex-husband of Princess Pop, T. Redd knows how to use his connections to get what he wants out of life, despite his lack of talent.

**Ward Winner—President of the Academy.** The man behind the awards, Ward can use his power to get what he wants and he intends to finish his final year as President with a bang!

## Big Plans For A Big Man

**Hobart Hughes** stated that he will be making an important announcement regarding the casting of his upcoming film, *A Fallen Angel*, following the Oscars. The film is slated to be a blockbuster, which Hobart is personally funding. Some speculate that the director is waiting to see who will take home an Oscar before making a final decision. Others think that **Bobby Calling**, the casting director, has already solicited **Jada Broken** for the lead female role. Among others in Hollywood vying to be cast are: **Natasha Gibson**, **Angel Wood**, **Hunter Starr**, **Mario Talent**.

## M2M 2 Reunite?

Could there be a reunion tour in the works for former boy band, *Man 2 Man*? After a 6-year ‘hiatus,’ one band member, **Brady Comeback**, is said to be in talks and booking venues.

# Ward Winner

As a highly decorated actor who later became a very successful director and producer, you are perhaps the most qualified president of the Academy of the Motion Picture Arts and Sciences (aka the Academy) who has held the office. As your presidential reign is coming to its fourth and final year, you are looking for a way to glorify your legacy.

This year has been a great year for film marked by a number of sensational movies, directors, producers, and performances by actors and actresses. After the announcement of the Academy Awards nominees, it became evident that there would be a lot of attention directed at the nominees for the “best leading actress” award. With Dana Darling’s superb performance, it is rumored that THIS will be the year that the diva finally wins the award after receiving 15 prior nominations. Since announcing the nominees, Dana has starting flirting with you in an attempt to gain your favor and your vote.

While you believe that Dana does deserve the award, you plan to rig the voting process to favor Angel Wood, another actress. Despite Dana’s superior performance, you have fallen in love with Angel and will do anything to make her happy. Because of your position, you have kept your love affair a secret at Angel’s urging. While you long to publicly profess your love for Angel, the Academy may demand a re-vote if they suspect that you were biased during the voting process. In the meantime, you have asked Angel to break-up with her beau, Hunter Starr, but Angel refuses, insisting that she is only using Hunter as a decoy so that no one will become suspicious of your relationship.

Although the Academy Awards show will mark the end of your reign as President of the Academy, you are excited for it to occur. Not only will you get to witness your love (Angel) on the stage accepting the award as the “best leading actress,” but once the awards are over, you can be with your true love, Angel Wood.

**Acting and Dressing Your Part:** As a former actor and director, you are accustomed to attending award show parties and you mingling with Hollywood’s elite. You possess a charming and debonair manner that seems to mesmerize everyone, especially women. For the ceremonies and post-party bash, you will want to dress to impress in your best suit or tuxedo. *For more Hollywood gossip and ideas on how to dress, accessorize, etc., please see the party tips section at [www.nightofmystery.com](http://www.nightofmystery.com).
